

XXX COPINAVAL

“Towards a sustainable maritime future”

September,
20 - 24,
2027

Relevance of the Event

The Pan-American Congress on Naval Engineering, Maritime Transport and Port Engineering (COPINAVAL) is one of the leading congresses in the maritime sector in the Americas. It brings together experts, authorities, and companies to discuss **innovation, development, and the key challenges facing naval engineering, maritime transportation, and port infrastructure.**

- Belém, Brazil - **2027**

After two decades, the event returns to Brazil

São Paulo, 2007

São Paulo, 2007

São Paulo, 2007

In 2007, the event was held in São Paulo, Brazil, bringing together experts, researchers, and representatives of the shipbuilding industry from several countries across the Americas. During the congress, participants attended technical presentations, discussed trends in the development of shipbuilding and maritime systems, and established professional contacts and partnerships that contributed to strengthening the sector throughout the region.

COPINAVAL will make its long-awaited return to Brazil

September 20 - 24, 2027
📍 Belém, Pará, Brazil

An internationally recognized city after hosting COP30

Strategic location at the gateway to the Amazon and along global trade routes

One of Brazil's leading hubs for inland waterway transportation

EVENT VENUE:

HOTEL VILA GALÉ COLLECTION AMAZÔNIA

AV. MARECHAL HERMES, S/N, UMARIZAL, BELÉM, PARÁ. CEP: 66.053-150

PROGRAM

EXPONAVAL

- Brings together companies, institutions, professionals, and authorities from the naval and port sectors.
- Showcases innovations and advances in shipbuilding, defense, logistics, and maritime operations.
- Creates opportunities for partnerships, investments, and new business contracts.
- Promotes technical and academic discussions.
- Contributes to the development of the naval and maritime industries across Latin America.
- Connects representatives from different countries, fostering greater cooperation among organizations in the sector and expanding networking opportunities.
